I am writing to invite you to write a paper for poster session at the 7th International (Virtual) Workshop on UI GreenMetric World University Rankings (IWGM 2021) in collaboration with the Universiti Putra Malaysia on 24-26 August 2021. This year our theme is "*Universities, UI GreenMetric, and SDGs in the Time of Pandemic*". A tentative programme is attached.

In the paper you could share your university best practices in managing one of UI GreenMetric indicators such as setting and infrastructure, energy and climate change, waste, water, transportation and education for our participants.

For selection purposes, you could submit your abstract on **19 July 2021** and your full paper on **9 August 2021** at the following link (<https://iwgm.ui.ac.id/call-for-papers/>). The template of the paper to be presented can be found in the attachment. Accepted papers will be published in a proceeding book and will also be made available online on our website (<http://greenmetric.ui.ac.id/>).

The scientific committee will select the abstracts and decide which ones will be exhibited in the poster session. Please contact Ms. Sabrina Hikmah Ramadanti at greenmetric@ui.ac.id should you need more information and <http://iwgm.ui.ac.id> and for information about our IWGM 2021.

I am looking forward to your positive reply. In the meantime please stay safe and healthy.
